

## Internship Opportunity

Our company name "THK" stands for "**T**oughness," "**H**igh Quality," and "**K**now-how." We aim to contribute to the improvement of society and development of industry by focusing on these three principles in our technology development and product manufacturing processes.

THK Manufacturing of America is a leading manufacturer of Linear Motion Guides, ball screws, bearings and joints, which are used in various types of industrial, robotic and production machinery. THK holds an outstanding competitive advantage over other manufacturers of Linear Motion Systems due to its ability to innovate and integrate highly technical manufacturing solutions. THK evaluates the opportunities for internships based on our business needs and support.

Looking for a great Internship where you can make a contribution? THK is looking for individuals who are willing to be flexible and to gain hands on experience through various projects and assignments to improve support to our manufacturing environment. We are seeking highly motivated individuals that have the aptitude and the ability to perform multiple functions related to manufacturing support, requiring good communication skills and the ability to work independently or as part of a team. If you desire to be an intern and possess the following qualifications listed below please apply.
